Kevin,

Pursuant to our discussion this morning, Defendant has decided not to claw back ZFL-1014051. We will provide a replacement version of that document to plaintiffs.

We also have considered your proposal to redact or withhold in part the remaining documents which we have clawed back. For a variety of reasons, we cannot redact these documents and continue to believe that they are privileged.

Finally, please confirm that today's meet and confer addressed both the documents in my November 30 letter as well as the documents referenced in your December 8 letter.

Best,

Stacey
